

# FENCE

Diesel Living Collection

---

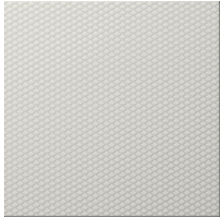

The Diesel Living collection explores the many facets of industrial materials, motifs, textures, and finishes, delivering an urban-chic, grunge style through the popular hard rock aesthetic of Diesel. Made to look like a contemporary chain link fence, Diesel's Fence serves as the divider between your private space and the streets. Available in a statement-making true-to-size chain-link pattern, or in a more subtle and abstract Microfence, Fence and Microfence are stocked in 4 colorways of 8" x 8" ceramic tiles with a gloss finish.
