

SHADES

Diesel Living Collection

The Diesel Living collection explores the many facets of industrial materials, motifs, textures, and finishes, delivering an urban-chic, grunge style through the popular hard rock aesthetic of Diesel. After a long night out, relax with the shades down in casual, effortless style. Shades is created with a Fume glaze technique, resulting in a hazy, gradient effect evocative of daylight's attempt to filter through the blinds. Available in 6 hues with a gloss finish, Shades may be installed in a traditional horizontal layout, or in less conventional diagonal, vertical, and herringbone formats.
