

# FRACTURE

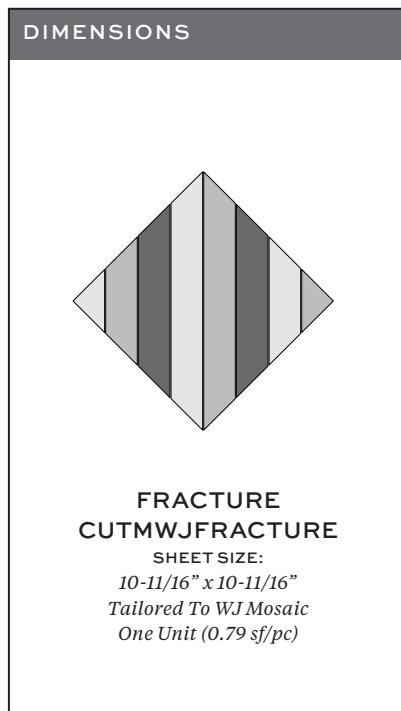

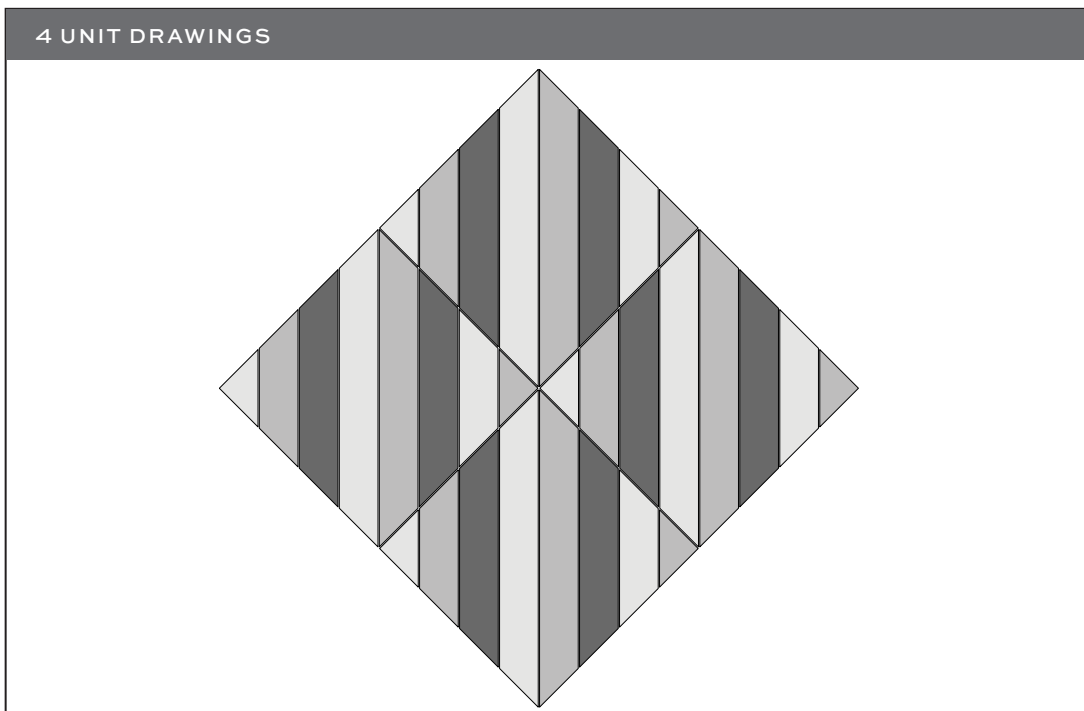

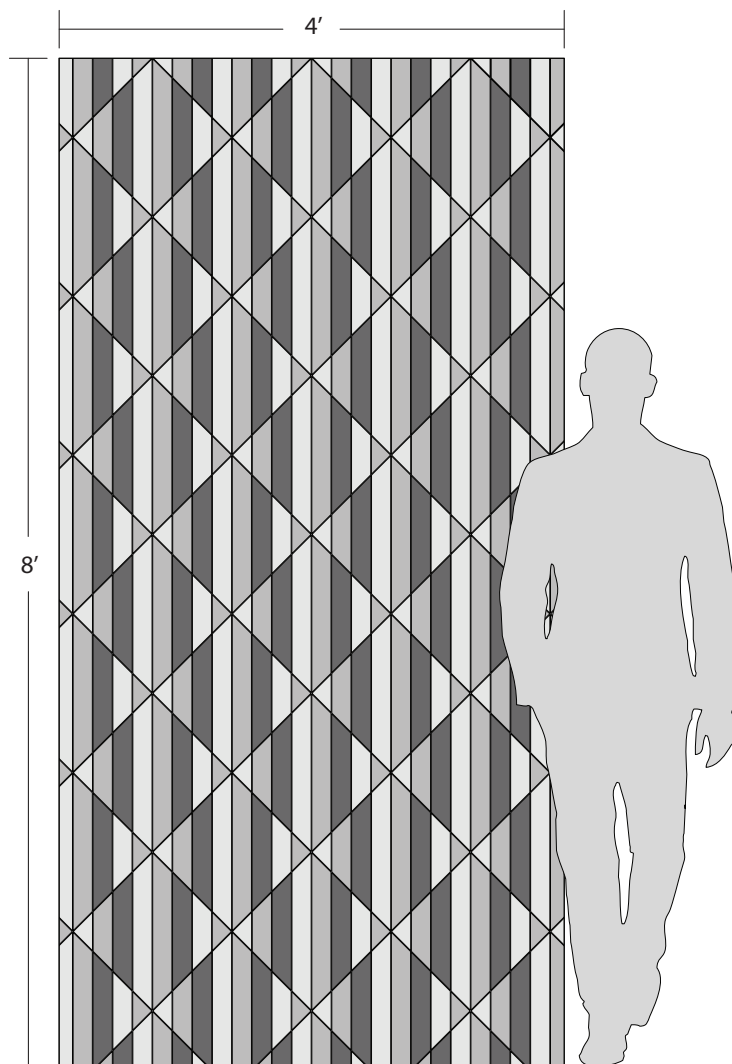

A thin, linear sequence is strikingly disrupted and mirrored to form this mosaic. Diagonally cut shards create the illusion of a fractured pattern being reconstructed into a new, intricate design. Available as a Tailored To waterjet mosaic, cut in-house. Customize this pattern with a wide variety of stone or glass materials. Your custom product will be totally unique and made-to-order.

# FRACTURE

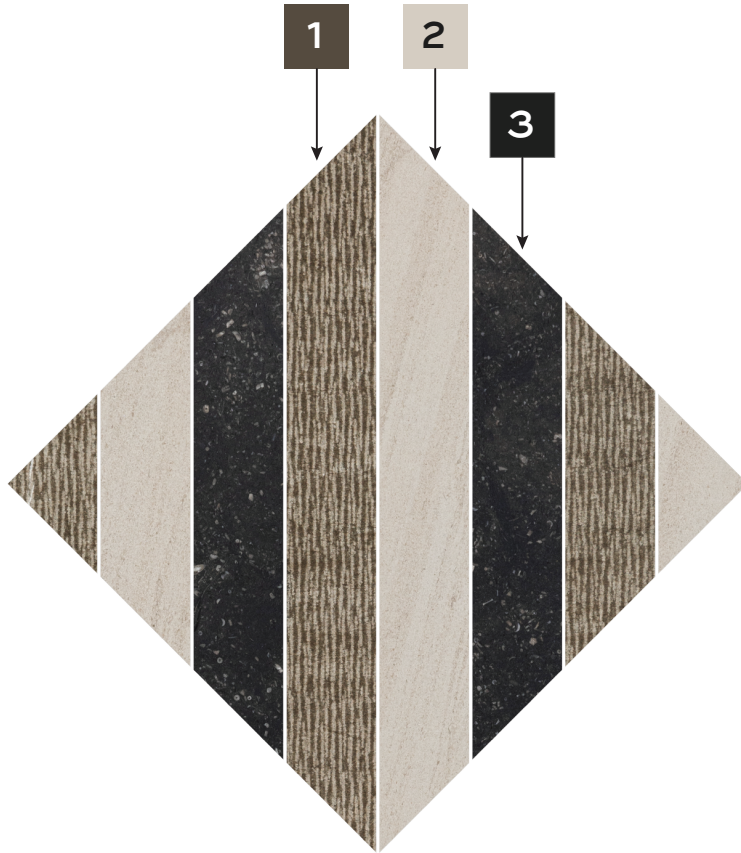

Shown here with Belgian Bluestone, Moca, Fousanna Textura.

\*Suggested applications, usage/characteristics and installation/maintenance are dependent on the materials of your choosing.
