NOTES

Be Bop white is a blend of 3-white and off-grey colors of glass.

When a sheet of mosaic or a swatch card is viewed the appearance of these 3-tones will appear different than when installed and grouted.

This is because the loose sheet and swatch cards are un-grouted and light is passing through the individual pieces from the front and all sides.

In smaller formats (Estrella, Flapper Floral, Foliage, Hip Herringbone, Leaf, Little Satch, Miles Modular), what appears to be a tone with a bluish tint in this un-grouted state, will read grey once installed and grouted.

In larger formats (Metronome, Scales, Swingin' Chevron, Treble) the pieces in question will continue to exhibit a bluish-tint.

In addition to the inherent change in appearance, grout color selection may also change the perceived color of the glass.
