

PLEAT

Tailored To Field Tile Collection

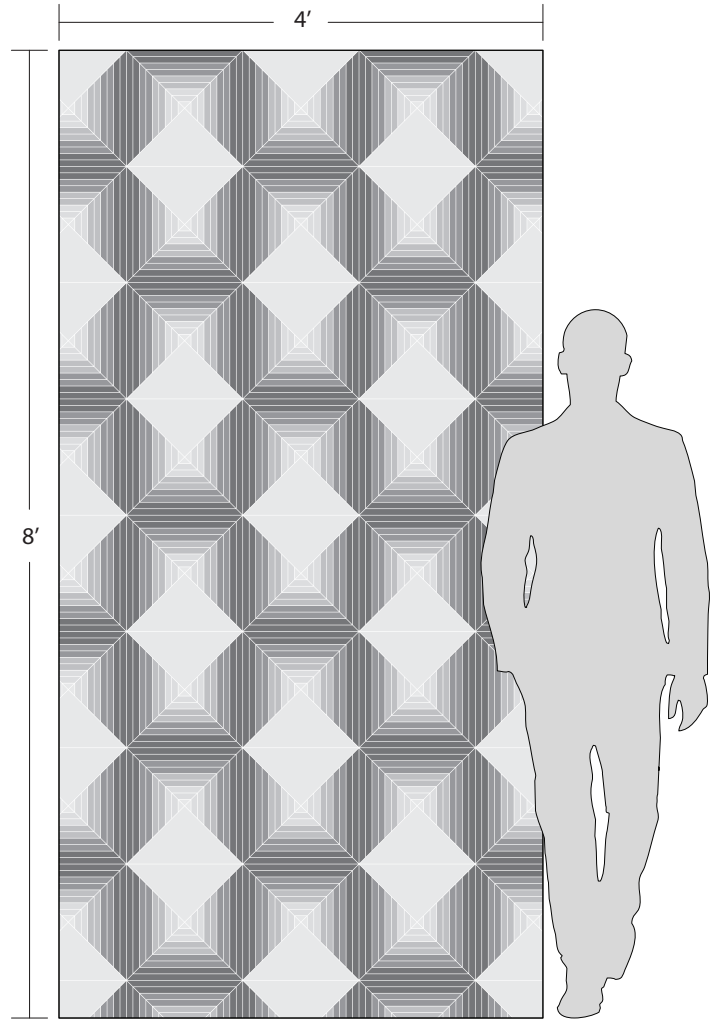

Pleat is a quadrilateral repeat pattern, reminiscent of the intricate folds of origami. Its surface mimics delicate paper-like creases, and each tile features rows of cascading lines and chromatic tones. Pleat is a custom waterjet mosaic, crafted entirely in-house and made in the USA. Customize this pattern with a wide variety of stone or glass materials. Your custom product will be totally unique and made-to-order.

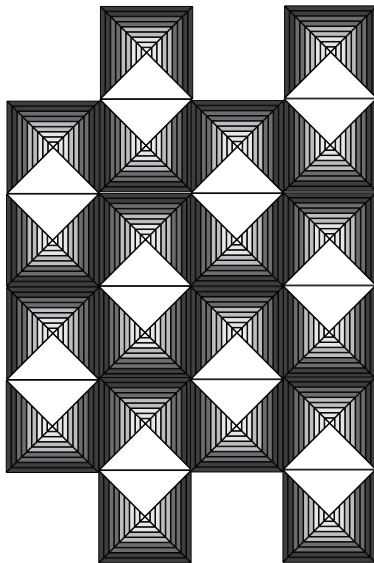

PLEAT
