

PUNTI & SCRAFITTO

Punti & Scrafitto are some of Artistic Tile's most modern textured stone collections. Punti is an update to traditional bush hammering, in which the process has been refined to give the surface a smoother, more contemporary feel. Scrafitto creates a heathered effect on the stone's surface, softening the appearance of the tile and adding movement. Both finishes are stunning when mixed with other stones in custom mosaic and waterjet patterns.
