

THASSOS

Since antiquity, Thassos has set the bar for white marble. Hailing from the Greek isle of the same name, Thassos is renowned for its quality, its exceptional hardness and its consistency. Sought after and quarried for millennia, it is undeniably a true classic, with applications that span the spectrum. Artistic Tile carries Thassos in many formats and makes extensive use of this beautiful stone in our Tailored To customization program. If white marble is what you're after, Thassos should be at the top of your list.

PICTURED: THASSOS & NERO MARQUINA
