

ROSA PORTOGALLO

Rosa Portogallo is a delicate pink marble quarried in the Estremoz region of Portugal. A timeless classic used in sculpture and architecture since antiquity, Rosa Portogallo is stocked in 3/4 (2cm) polished and honed slabs and both honed and polished 12 x 24 field tiles.

NOTES
<p>¹ This material is sensitive to acids including those commonly found in kitchens. Acid etching occurs in many stones, but may be less visible on lighter colors and on surfaces with a honed finish. A professionally applied surface treatment like MORE™ AntiEtch™ can prevent acid etching.</p> <p>² Showers: Product must be installed in accordance with current TCNA handbook stone methods. The NSI recommends installing resin-backed stone with epoxy-based setting materials. Consult your setting materials manufacturer for specific recommendations.</p> <p>³ Please see NSI DSDM (Dimension Stone Design Manual) for all installation instructions.</p>
