Round Table

The Round Table News Desk is perfect for one-on-one or small panel discussions. Available with a 48" or 60" diameter top, it can seat four to five people. This 48" model showcases an inset engraved logo with dual-zone RGBW lighting to light the logo and edge different colors. As pictured this table is $13,508 with freight.

Choose Your Height

An optional linear actuator for the 48" model adjusts the table height with the press of a button. With a range between 32" and 48" high, you can customize the height to fit your broadcast. The 60" model is available at a fixed height between 32" and 42" high.

Standard Height 32"

The height of your standard dining table.
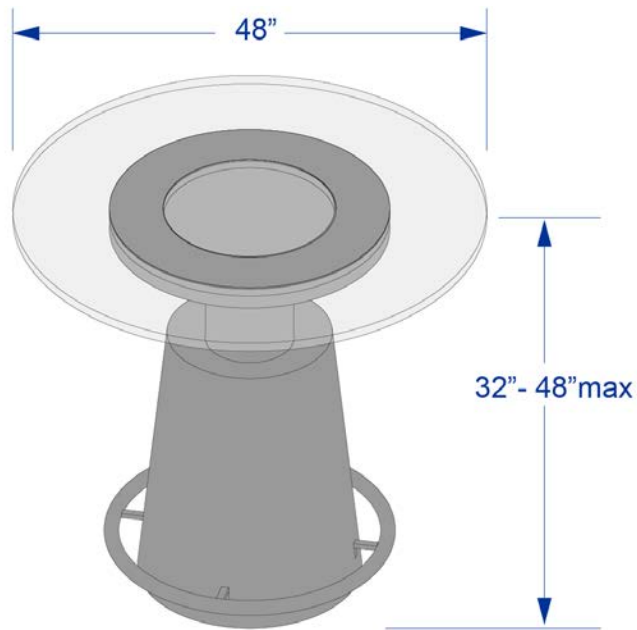

Counter Height 36"

The height of a standard kitchen counter.

Extra Tall 48"

An extra tall bar height.

Round Table Specifications

This pricing will be honored until the end of the calendar year that the quote was issued. All freight is LTL service and the client is responsible for unloading and installation unless otherwise indicated above. Image use rights are the responsibility of the end user.

Total $14,480.00

Additional Examples

Base Model

Our standard model comes with a 1" thick acrylic top and stainless footrest ring. It comes with your choice of laminate for the base.

48" **$8,606** with freight
60" **$9,373** with freight

Dual-Zone Tabletop Lighting

Lit brightly with dual-zone RGBW LED tabletop lighting, the inside ring can be set to one color while the outside edge can be set to another. This table comes with a multi-channel DMX controller allowing you to easily adjust each zone.
Options:
• Dual-Zone Tabletop Lighting

48" **$11,833** with freight
60" **$12,600** with freight

Additional Examples

Removable Black Plexi Top

A removable 1/8" black plexi top gives your desk a sleek black finish while highlighting the edge lighting. It protects the clear acrylic top from damage and hides items and legs below the tabletop from view.

Options:
- Single-Zone Edge Lighting
- Removable Black Plexi Overlay

48" **$10,341** with freight
60" **$11,108** with freight

Removable Black Fabric Top

A removable 1/8" black fabric top eliminates glare for use with greenscreens and highlights the edge lighting. It protects the acrylic top from damage and hides items and legs below the tabletop from view.

Options:
- Single-Zone Edge Lighting
- Removable Black Fabric Top

48" **$10,539** with freight
60" **$11,306** with freight

Additional Examples

Etched Acrylic Graphic

Light up your branding with an etched acrylic graphic. With dual-zone RGBW LED lighting, the inside ring can be set to one color while the outside edge can be set to another. Both zones can be adjusted to all the colors of the rainbow.

Options:
- Dual-Zone Tabletop Lighting
- Center Graphic

48" **$13,376** with freight
60" **$14,143** with freight

Black Plexi Graphic Disk

Capture more saturated colors from your LED-lit, etched graphic by adding a removable black plexi disc to the center.

Options:
- Dual-Zone Tabletop Lighting
- Center Graphic

48" **$13,376** with freight
60" **$14,143** with freight

Additional Examples

Printed Graphic Disk

Some graphics are too detailed or complex to etch, but they still deserve to shine. This example shows printed and cut vinyl applied to a milky acrylic and backlit with RGBW LED lighting. Our designers work with you to find a solution that works best for your graphic.

Options:
- Dual-Zone Tabletop Lighting
- Center Graphic

48" **$13,376** with freight
60" **$14,143** with freight

Adjustable Height

Available only with the 48" Round Table, a linear actuator adjusts the table height with the press of a button. With a range between 32" and 48" high, you can customize the height to fit your panelists and broadcast look.

Options:
- Dual-Zone Tabletop Lighting
- Electric Adjustable Height

48" **$13,016** with freight
