

Eco Gard[®]

BIODEGRADABLE PLANT GUARD

ECO-FRIENDLY PLANT & TREE PROTECTORS

EASY TO INSTALL
STEP-BY-STEP
INSTRUCTIONS

- 1** Place wool mulch mat around the plant
- 2** Slide the stakes through the sleeves in the Eco Gard[®]
- 3** Open up the Eco Gard[®] and slide over the plant
- 4** Insert the stakes into opposite holes in the mat, and bang the stakes into the ground. Stakes should angle slightly outwards.
- 5** All done! Your plant is now protected by an Eco Gard[®]

Alternatively you can put the stakes into the ground first, and then slide the Eco Gard[®] over the stakes.
