

REAL ESTATE GIFTS

I've been in your shoes.

You're busy. You wish there was three of you. There's never enough hours in the day. You have a to-do list that's a mile long.

I've been in your shoes! Before dedicating myself to Gift Smack full-time, I spent eight years working as a real estate agent. It was during this time that my passion for finding exceptional real estate gifts began to take shape, ultimately leading me to establish Gift Smack.

After creating thousands of gifts, including gifts for celebrities and big brand name companies, my passion has grown to include a love for supporting minority lead businesses, sustainable goods and making it effortless for you to give great gifts.

Gift Smack made corporate gifting so easy! Nadine was prompt in her responses and took all the stresses of planning off my shoulders. Also, their curated boxes were much more exciting/aesthetic than other places I checked out.

FAQ'S

Q: What's in your gifts?

A: We pride ourselves on sourcing high quality items (as many local and small, Canadian brands as possible) that we love and use ourselves. No off-brand items, no weird cheese. We want you to feel good about the gifts you give!

Q: How much is this going to cost me?

A: We provide options for every budget. If you are creating custom gifts, we'll do our best to provide a great gift for the budget outlined.

Q: How long does this take?

A: Gifts ordered online are usually delivered the next business day. Custom gifts are usually delivered in 2 days. You can indicate your timelines and we'll be sure to work with you on those!

Q: What does delivery cost?

A: Way less than your Starbucks order! Delivery to Calgary, Edmonton & Red Deer is generally around \$11 if you're ordering one-off gifts, however, our onboarded real estate clients receive free delivery in those metro areas.

Q: What if I already have branded elements?

A: No problem, we can store and include those with your gifts.
