

Measure, Determine, Check

Your printable ring sizer from World of Ring. Choose from our two accurate measuring techniques.

For accuracy, please ensure that PDF is printed at 100%.

The String Test

- Cut a small piece of string, thread or ribbon from a spool.
- MEASURE: Wrap it snugly around your finger for an accurate measurement.
- DETERMINE: Compare your measurement with our sizing chart.
- Tip: Be careful not to wrap the string too tight. Aim for a comfortable, snug fit.
- Tip: For the most accuracy, have someone help you measure.
- CHECK: Double check for accuracy.

Measurements refer to the inside diameter of the ring.

For best results measure your finger size: At the end of the day and when your fingers are warm (Fingers are smaller in the early morning and when cold.) Measure finger size 3 to 4 times to eliminate an erroneous reading.

The Secret Test

- Print our chart of ring size circles.
- Find a ring that your loved one currently wears.
- Make sure he or she wears that ring on the finger you are shopping for.
- MEASURE: Place the ring on top of each circle until you find a perfect match.
- DETERMINE: The match should perfectly fit the inside on the ring.
- CHECK: Double check for accuracy.
