

# VW91 SNUG FIT FIREFIGHTER CHAINSAW BOOT

Available in size 3 - 15

**VIKING**  
Vikingwear.com

## WHY VW91?

- The “Snug fit” design allows the ankle area of the shaft to be tapered, to create a form fitting supportive boot that provides a tighter fit to prevent ankle roll over and foot fatigue
- The ergonomic insole system design helps support the arch, improves the stability of the boot and fits to preference
- **Viking's patented** NFPA Fireman boot design incorporates Class 3 chainsaw protection into the shin and metatarsal regions, providing superior cut resistance and shin/metatarsal impact resistance; combined with our “Snug Fit” ergonomic insole system, and NFPA 1992 Liquid splash protection—the VW91 provides the highest level of foot safety and comfort in the world

## Ideal For

- Regular and auxiliary firefighters
- Forest fire workers
- Motor vehicle accidents around dangerous flammable liquids
- Industry firefighting

## THE STANDARDS:

- CSA Z195-09 / ASTM F2413-11
- CSA Class #1 Steel Toe and Plate
- CSA Omega - Electric Shock Resistant 18kV
- CSA Green fir tree Class 3 Chainsaw protection
- NFPA Certified: 1971-2013
- **NFPA Certified: 1992-2012 Liquid splash-protective against hazardous material emergencies**

1 Pull up strap

2 Reflective Stripe

3 Flame retardant upper

4 Class 3 chainsaw protection (28 m/sec chainsaw speed)

5 Reinforced polyaramide tricot and special mid rubber formulation

6 Reinforced backstay for heel tendon protection

7 Optional felt insole included

8 Steel toe and plate

9 Toe reinforcement for better toe impact protection

11

Extra comfort non woven Keylar nomex / polyaramide lining with excellent flame retardant property

10

Oil-resistant lug sole
