SERVER

THE ELEGANT CLASSIC

THE BESTSELLER

The SERVER is the classic aluminium lightweight rollator. The timelessly elegant frame is inspired by the purist style of Danish Design. Thanks to the unique profile the rollator can be easily kept clean and maintained. The ergonomic handle grips under the "Click & Safe" safety catch allow secure lifting, carrying and transporting of the rollator. In the XL version the SERVER is available as the SERVER HD.

FEATURES AT A GLANCE

- Large shopping bag for carrying up to 5 kg
- User friendly and easily adjustable handle height
- Unique carrying handle: ergonomic handle grips under the mounting bars for lifting and carrying the rollator
- All-round safety reflectors available for shopping bag, frame and handles
- Large selection of accessories such as backrest straps, bags, tray, one-handed brake operation, slowdown brake, rollator umbrella

SIZES & COLOURS

Large: Wine red, Sober Grey, White
 Medium: Wine red, Sober Grey
