SERVER W / NAVIGATOR

WITH FIXED FOREARM SUPPORTS

THE SPECIALIST INDOOR ROLLATOR

The SERVER W was developed especially for users with arthritis and/or limited function of the arms and hands. The rollator has forearm supports that provide optimal comfort. Adjustable handles, a clever carrying function and practical accessories make this rollator a first-class companion indoors. The SERVER W is available with popular TPE wheels or shock absorbing soft wheels.

FEATURES AT A GLANCE
