

Clinical C

Professional Antioxidant Synergy

Orthoplex White Clinical C provides targeted, specialised nutrients to regenerate Vitamin C and provide longer lasting therapeutic benefits.

We have gone to great lengths to ensure an innovative clean-excipient tablet design, and to validate all ingredients as vegan and sourced from non-GMO origins. The formula also features sustainably-derived mixed tocotrienols and tocopherols, representing the complete eight isomer forms of Vitamin E.

- ✓ Non-GMO ingredients and excipients
- ✓ Non-acidic, maltodextrin free Vitamin C
- ✓ Complete eight isomer forms of natural Vitamin E
- ✓ Vegan friendly
- ✓ Soy and magnesium stearate free
- ✓ Suitable for sensitive individuals
