

MagGI Restore

GIT and Stress Support

Orthoplex White MagGI Restore is a complete, nourishing vegan formula that provides the building blocks for the stressed or depleted patient to regulate their stress response, heal the gut and aid nutrient absorption, putting them on the road to recovery.

With Taurine, Magnesium, Choline and Activated B vitamins, Orthoplex White MagGI Restore calms the nervous system, while healing the gut with a therapeutic dose of Glutamine, Zinc and Vitamins A and D, allowing for maximum nutrient absorption.

- ✓ Sustainably sourced Vitamin E
- ✓ Naturally fermented form of Vitamin K2
- ✓ Low heavy metal Zinc citrate
- ✓ Complete eight isomer forms of Vitamin E

Warnings

If you are pregnant, or considering becoming pregnant, do not take Vitamin A supplements without consulting your doctor or pharmacist. When taken in excess of 3000 micrograms retinol equivalents, Vitamin A can cause birth defects. The recommended daily amount of Vitamin A from all sources is 700 micrograms retinol equivalents for women and 900 micrograms retinol equivalents for men. Vitamin and mineral supplements should not replace a balanced diet. This medicine contains Selenium which is toxic in high doses. A daily dose of 150 micrograms for adults of Selenium from dietary supplements should not be exceeded. If symptoms persist, seek the advice of a healthcare practitioner.
