Of course, Bondi Chai also offers...

- ***Profitability** – Cost per serve is about the same as espresso coffee and with a **gross yield of \$400/kg** (\$4/latte x 100 serves) Bondi Chai is the most profitable chai latte you can offer.
- ***Speed/ease** – just add two teaspoons of powder to an 8oz cup (*NO NEED FOR ANY HOT WATER*) stir while pouring on textured milk... and serve!
- ***Great sales** – the “creamiest, dreamiest” taste and quality that’s backed by **5 gold and a silver medal** and a Healthy Food Guide Award are the reasons why **Bondi Chai sells itself!**
- ***Versatility** – Add Bondi Chai to your **HOT AND COLD** drinks menus... Makes great **frappes** and fruit **smoothies**... Use it in your desserts/cakes, it’s fabulous mixed through yoghurt, added to **cheesecakes, muffins, pancakes** or cupcakes.
