

# SPICE KITCHEN HAMPER BROCHURE

2023

# HELLO AND WELCOME...

*"They are honestly the freshest, most fragrant spices I've ever used."*

~ Masterchef Winner, Dhruv Baker

For over a decade, our beautiful products have been nestling themselves into hampers and delighting our customers across the globe. We are super proud of what we produce, and are always thrilled with the positive feedback we receive.

But don't just take our word for it. The Great Taste and Gift of the Year judges love our products too. We have won multiple awards for our spices, hot chocolates and mulled wine, all of which you will find in this brochure. And, the media seem to love us too! You may have seen us and our products popping up in The Independent, The Guardian, The Times and on The Hairy Bikers TV show.

## ABOUT US

We are Sanjay and Shashi Aggarwal – a mother and son team – with a shared mission to inspire people to connect with family and friends through food. We started this business as a retirement hobby for Shashi over the kitchen table on Christmas Day in 2012, and since then we have been on the most amazing journey creating products that people love! We hope you will love them too.
