*Lifetime warranty:

Competition bars for weightlifting and competition bars for powerlifting shall be free from defects in material and workmanship for the lifetime of such products when used in competition. For purposes of this limited warranty, "lifetime" warranty coverage ends when the applicable product becomes unusable for reasons other than defects in workmanship or material/faulty design. This limited lifetime warranty applies only to the original end-user customer of the product for so long as the original end-user customer owns the product. This limited lifetime warranty is non-transferable. If the Eleiko Competition bar is used in training purposes, the warranty is the same as for the Eleiko Training Bars.
