

# Magnus - Bench

The rounded edges and elegant design of the Magnus bench inspire gentle tranquility and bring a modern touch to your home.

Magnus's effortless balance of soft curves and clean lines is inspired by the Scandinavian and Mid-Century Modern furniture movements that create a timeless style, designed for life. Solid, strong American oak construction means the Magnus bench is made to last.

Compliment the soft, warm tones and sweeping form of the solid oak Magnus bench with the Magnus Dining table, sideboard and dining chairs for effortless elegance in your dining room.
