

Magnus - Round Dining Table

Create a tranquil space in the heart of your home with our solid American oak Magnus Round Dining Table. With a refined, elegant combination of soft curves and clean lines, the timeless design brings the perfect blend of authenticity and simplicity.

With its compact size, the round Magnus table is perfect for both practicality and style in apartments and condos. The durability of solid oak makes the Magnus Dining Table one of our best selling pieces - designed for living and built to last for decades to come.

The Magnus dining range also includes rectangular and extension dining tables, as well as chairs and sideboard.
