

Magnus Oval - Dining Table

Our round mid-century modern Magnus dining table creates a tranquil space in the heart of your home. This solid American oak round dining table features a refined, elegant combination of soft curves and clean lines. The timeless design brings the perfect blend of authenticity and simplicity. Serving as the relaxed hub of a busy home, Magnus's sleek oval shape serve both practicality and style. The shape is great for maximising floor space in a small room while having space for guests around the table. The durability of solid oak makes the Magnus dining table one of our best selling pieces - designed for living and built to last for decades to come. Magnus's effortless and gentle strength is inspired by the Scandinavian and Mid-century modern furniture movements.
