

## CERTIFICATION & SAFETY

Kiravans single seat swivel has been tested to the standards specified by UN ECE Regulation 14 & Directive 76/115/EEC amendment 2005 / 41 / EC.

This swivel has successfully undergone and passed the seat belt anchorage safety test. This test evaluates the impact of installing a swivel on the seat belt anchorages.

For a detailed review of the test results, please see below:

## KIRAVANS GUARANTEE

**Put simply, we guarantee everything we sell for 3 years.**

If a fault develops within 3 years of purchase on anything you have bought from Kiravans, we will replace it or repair it - whichever is most suitable. If a replacement is not available, we will offer a refund.

Our liability extends only so far as the supply of the products to you. Preparation of your vehicle, surface preparation, installation and fitting are your own responsibility and are beyond our liability.

To secure and safely install a swivel into an automotive environment usually includes heavy lifting and you may require specialist tools. If you are not confident in your own skills and experience then Kiravans recommend that you make use of a specialist campervan converter.
