FAN STYLE FAUCET

The Pure Water Systems Fan Style Faucet is available for purchase as an upgrade to the Slimline Faucet that is supplied with all of our under sink water filtration and purification systems.

With a polished chrome finish, it fits easily through the sink or benchtop and is designed for the sole purpose of dispensing your filtered water.

The Fan Style Faucet utilises a fan style lever to dispense your filtered water. The lever is rotated to dispense water automatically until the lever is placed back to the off position.

Pure Water Systems offers a 3 year parts and labour warranty coupled with our Pure Quality Guarantee*, ensuring that you are receiving the best quality water available and value for money to give you greater peace of mind.
