

Battery Tray to suit Suzuki Jimny JB74W

This Slimline Battery Tray is designed to fit under the driver's side front seat of a Suzuki Jimny JB74W, the unique design provides the opportunity for additional power without using any of the valuable cargo space in the rear of the Jimny.

There are mounting holes to accommodate a REDARC BCDC Charger and multiple midi fuse holders in the rear section of the main bracket and a cover panel which not only protects the wiring, charger etc. but also provides a clean finish.

Confirmed batteries include:

- Invicta 50ah Lithium – SNLFT12V50BT
- Revolution 60ah Lithium – RPL12-60SLIM
- Redarc 60ah Lithium – LBAT12060
- Custom Lithium 100ah – CL12V100AHSLIM

Features:

- Manufactured from 2 mm Zinc coated steel
- Coated in a durable textured black powder coat for added corrosion resistance.
- Precision laser cut and folded.
- Various mounting locations for accessories
- Simple and secure fitment using tiedown straps.

Includes:

- 1 x TLR Products Battery Tray
- Fitting kit including all hardware and fasteners required for basic fitment.

Note:

- Weight: 5 kgs
- Warranty: 3 years
- Fitting time approx. 60 mins

TLR Products is Australian owned, with all manufactured products designed and made in Newcastle, NSW.
