WHEN ORDERING REPAIR PARTS, PLEASE NOTE:

To expedite your repair orders, please order by Coleman Part Number and the Description shown in this parts Catalog. If unable to find the part in this catalog, please state Model Number of the Trailer, describe the part, state where it is used, and if necessary, state if on curbside, roadside, front or rear of trailer.

Nuts, bolts, rivets and screws are shown in our catalog along with their size in order that you may buy them at your local hardware. Most are not in our regular Sales Stock and take at least a week to get from Factory.

NOTE: We no longer accept the return for credit of nuts, bolts and screws because of the restocking cost against the cost of the item.
