### SYMBOLS USED IN THIS CATALOG

"x2" -- Items showing "x2" etc. indicate they are used times two on the assembly. They are sold one to a package.

"M4" -- Items marked "M4" etc. indicate they are packed four to a package and are shipped only in packages of four. They are priced per unit.

**NOTE:** All seven digit numbers are not Sales Stock items and may take slightly longer to obtain from the factory.

### WHEN ORDERING REPAIR PARTS, PLEASE NOTE:

To expedite your repair orders, please order by Coleman Part Number and the Description shown in this Parts Catalog. If unable to find the part in this catalog, please state the Model Number and Serial Number of the trailer, describe the part, state where it is used, and if necessary, state if on curbside, roadside, front, or rear of trailer.

Nuts, Bolts, Rivets, and Screws are shown in the back part of the catalog, in a table. The table shows the size and kind of item in order that you may purchase them at your local hardware store.

**NOTE:** We no longer accept the return for credit of nuts, bolts, and screws because of the restocking cost against the cost of the item.
