Features

This rugged, do-everything carrier hitches up and loads easily, totes approximately 1000 pounds smoothly, and unloads fast or tilts for quick and safe dumping. It's roadable, durable, and so everlastingly handy that you'll wonder how you ever managed without it! Along with so many workhorse features, the Versatrailer's modern design and baked enamel finish will complement the good looks of any car. To double the loading space, add either hardwood stake railings or lockable ABS plastic cover.

Camping

VersaTrailer®

Here's a versatile, two-wheeled wagon that's ideal for dozens and dozens of hauling jobs on all kinds of terrain, day or night. Fits small cars and small budgets, too. Starts paying for itself right away in time, money, and energy saved. No need to pay delivery charges or rent a truck to move furniture or appliances across town. No need to stuff a car trunk or dirty up a back seat when carting fertilizer, firewood, tools, plywood, or other supplies. And for campers, this easy-tow wagon holds all the luggage, tent, and sports gear an average-sized family needs. So hitch up soon to the VersaTrailer, a load of value!

A fraction of the cost of a pickup truck and three times the carrying capacity of most roof top carriers make VersaTrailer a solid investment.
