BRANDYWINE

Americana

The Best of the Best...

Whether you're moving up from a tent or trading up from another brand, there's no better way to see this great country than with a **Coleman** folding trailer. It's truly America's **best**.

But don't just take our word for it. Ask any Coleman owner. They'll tell you why more people hit the road with a Coleman than any other brand of folding trailer.

It's no wonder. With a camping heritage that spans more than 90 years, and an ongoing commitment to innovative design and quality, Coleman means the best **value**.

And the Best of the Best?

Americana...Five beautiful new models to choose from. With all the great features found in the Pioneer and Destiny series. And more. Everything you want in a folding trailer, you'll find in Americana...the styling, the quality, the innovation and, of course, the features. There's simply nothing else comparable.

1992 Brandywine

B

1992 Grandview

A

A. Enjoy the great outdoors in style with beautiful views from your bay window in the new Grandview model **B.** The Grandview galley with wardrobe, microwave shelf, and color-coordinated mini-blinds and valances **C.** The spacious 1992 Williamsburg interior **D.** Here's a convenience you may have thought you had to leave at home. The Williamsburg model features hot water, tub and shower! When not in use, the

shower top conceals the tub and doubles as a bedside nightstand **E.** All Americana models feature large, convenient outside storage access for your tools, firewood, lanterns or fishing gear. You name it! All storage and utility compartments lock for security **F.** With Americana's Swing-Level® galley, you can put things where they belong **before** you hit the road. Then once you arrive at your destination and set up camp, the **only** work you'll need to do is swing the

galley top into position. Everything stays level, just the way you stored it! **G.** A 120V ground-fault outside outlet provides a convenient place to plug in any electrical accessories **H.** The large Coleman Convertible Cooler can be used upright with slide-in shelves. Or pull out the shelves and use it chest-style **I.** All Americas (except Grandview) feature the added convenience of a high-pressure, high-efficiency outside cookstove in addition to an inside range

1992 Williamsburg

What Makes Americana The Best of the Best?

Everything you see here, and much more...

- Stylish exterior graphics and colors with Krystal-Kote® finish that resists scratching and marring
- Designer coordinated interior decor and fabrics with 4" cushions and high-density foam mattresses for the ultimate in comfort
- Built-in recessed storage for maps, flashlights or magazines
- Convenient, deep pantry drawer (available in most models)
- Coleman's exclusive Swing-Level® galley is a breeze to set up and offers the ultimate in usable storage
- Underfloor water storage for a lower center of gravity (which means easier towing!) and more storage space inside the trailer
- Convenient outside access to inside storage
- All Americas (except Grandview) feature a standard outside, high-pressure Coleman stove and slide-out storage drawer for when you'd rather cook outdoors
- You'll find all these deluxe convenience features and many, many more in the Americana series. See your local Coleman folding trailer dealer for more information

What Makes Pioneer Such a Great Value?

Everything you see here, plus these exclusive features:

- Curbside storage pockets – a handy place to store small items
- Large corner hutch and nightstand that doubles as potty storage
- Quality wood framed cabinet doors with brass and wood tone hardware accents
- Standard interior hanger hooks for stringing a clothesline or holding hangers
- Color-coordinated Evolution-3 tent fabric for good looks – won't mildew or dry rot
- 120V exterior electrical outlet for convenient plug-in at the campsite
- Exclusive, portable, outside high-pressure stove; includes convenient food tray and exterior gas hookup. Stows out of the way in its own interior storage cabinet. This high-pressure, high-efficiency stove is in addition to our low-pressure inside galley stove

*dinette seating for six when you convert the comfortable side gauchos. It's ideal for larger families! **E.** Enjoy the added convenience of high-pressure, high-efficiency outside cooking on all Pioneer models*

The Destiny inside/outside stove

Destiny

Affordable Camping Fun!

When you're looking for a folding trailer that won't put a big dent in your wallet, take a look at the Destiny Series. Dollar for dollar, no other camper offers you such a great list of features... at such an affordable price.

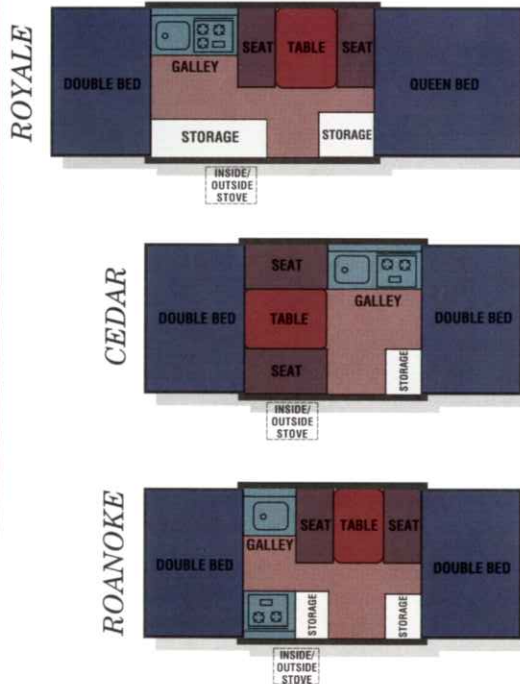

With three value-packed models, there's one that's certain to be just right for **your** family!

What makes Destiny the affordable choice? Everything you see here, plus these exclusive features:

- Eye-catching graphics and color-coordinated interiors provide a designer look
- 4" thick, high-quality, high-comfort dinette seat cushions
- Two 12V dome lights in every trailer
- Deluxe pinch-pleated drapes with tie-backs add the quality touch you've come to expect from Coleman
- Convenient and lightweight indoor/outdoor cook stove
- A unique and exclusive pump hold-down lever for hands-free washing
- New Krystal-Kote® aluminum body panels for lighter weight and scratch-resistant durability
- And so much more!

Features

Here are just a few of the great features found on many of the Coleman folding trailers. For the whole story, and a personal tour of the models you're most interested in, see your Coleman dealer today!

A. Coleman's one-piece all-aluminum screen door features lightweight, easy set up. Plus, a zip-lock bug proof seal and automatic spring-tension return just like your screen door at home **B.** Self-storing easy access swing-down stabilizers keep your Coleman trailer rock-solid level on any terrain **C.** Coleman's exclusive, patented Steppeer™ Door is lighted for nighttime safety and positioned at just the right height for entry convenience. It's the

safest, most sturdy step you'll find on any folding trailer (Americana and Pioneer models only) **D.** All Coleman folding trailers offer an incredible amount of headroom above the beds for your personal comfort **E.** Coleman ice chests come in three big sizes, depending on the model you choose, and they're portable...so you don't lose valuable interior cabinet storage as with built-in ice chests. And you can carry your Coleman ice chest right to the

kitchen for easy packing and unpacking **F.** This tongue dolly jack easily swivels down for unhitching, which makes moving your camper a snap! Swivel it back up and it automatically locks in place for towing **G.** For hands-free washing, this ingenious pump hold-down lever does the trick **H.** All Coleman tables provide spacious dinette seating with the added benefit of total portability for use indoors or out

And Now for Something
Completely Different!

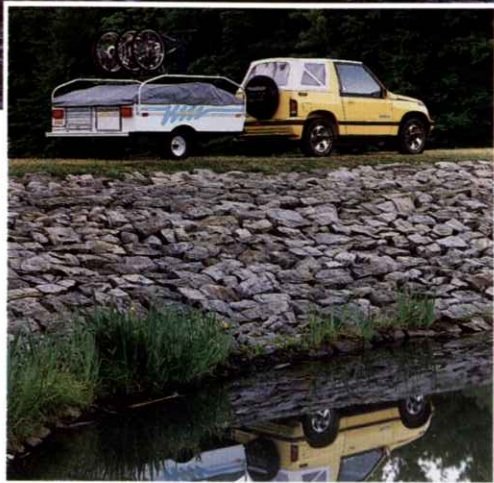

Colorado

Two great, new Colorado models offer the back-to-basics fun and feel of tenting with just the right amount of comfort and convenience.

New for 1992 – The exciting, new **ColoradoSport** is perfect for active lifestyle enthusiasts or anyone that is young at heart. The ColoradoSport is your base camp away from home; it's designed to be a "recreational support vehicle" to complement whatever your favorite recreational activity may be.

ColoradoSport offers an impressive list of standard features:

- A swing-up outside shelf is an ideal place for your stove or ice chest and it's protected by ColoradoSport's built-in canopy
- Eye-grabbing graphics and colors accentuate the state-of-the-art acrylic tenting fabric that resists mildew and dry rot
- Weatherproof polyester-coated nylon seating fabric so cushions can be used inside or out and simply hosed off when they become soiled
- A side storage hutch with lots of room for all your gear
- Oversized 10" tires that provide great road handling and plenty of ground clearance for getting off the beaten path
- Standard front and rear stabilizer jacks (rear jacks optional on the base Colorado)
- Standard spare tire carrier in a rugged, underbody design (optional on the base Colorado)
- Built-in sport rails designed to accommodate various roof rack options. You can carry your kayaks, surf or sail boards, mountain bikes or just about anything else under the sun
- There's plenty more, so ask your Coleman dealer for a full demonstration of this new, incredible "recreational support vehicle"

Accessories

Expand the Enjoyment and Fun
of Your Coleman Trailer
With a Wide Array of Options

You won't find a better folding trailer anywhere. But Coleman knows that everyone has their own ideas of what it takes to make their camper just right.

These optional accessories are available through your Coleman dealer to make **your** folding trailer your own personal expression.

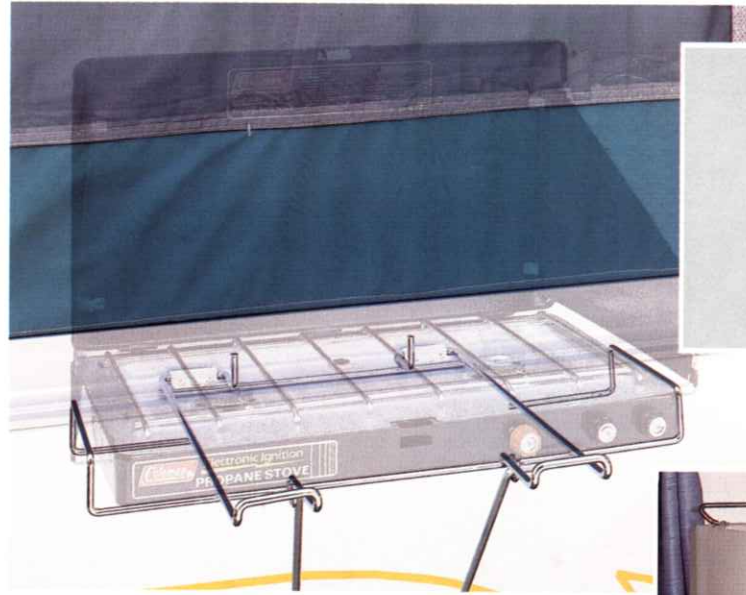

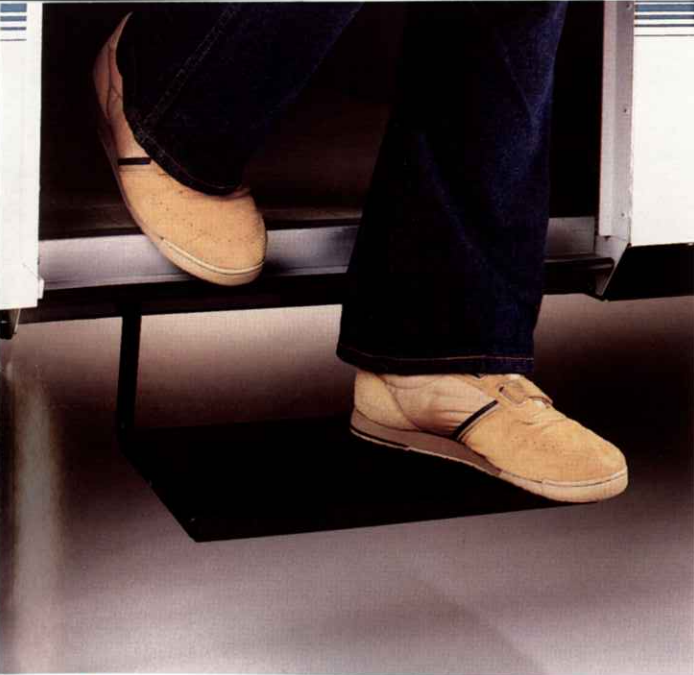

A. People on the go trust the **Yakima**® name when it comes to cargo racks and roof top accessories. Order your folding trailer with a Yakima roof rack to take along canoes or sailboards. A broad range of Yakima accessories are available. Bike carriers and cargo baskets are among the most popular and are available through your local Coleman dealer **B.** Nearly **double** the size of your camper with this canopy and screen room combination. Enjoy the shade when the sun is high, and cool breezes at sunset. Coleman

screen rooms also feature privacy panels **C.** This attractive storage bumper is a great place to stow fishing rods, canopy poles, etc. **D.** Protect your LP bottles from road grime, while adding the finishing touch to the front of your camper, with a vinyl or ABS cover (depending on your model) **E.** This handy CamperCaddie™ makes trip preparation a snap. Pack it like a suitcase. Roll it up and pop it in the camper or your trunk. When you make camp, simply unroll it and hang it right up on the pre-installed hooks. Another

great convenience from Coleman! **F.** Enjoy your Coleman trailer year 'round! Choose an energy efficient 12M or 20M BTU forced air furnace with thermostat control and electronic ignition for convenience and reliability **G.** Have the convenience of 12V power with this battery mount kit. (Battery not included) **H.** The ultimate convenience is this Dometic® three-way refrigerator. Operates on LP gas, 120V or 12V power supply

H

I

A. Bring your own cooling breezes to a hot summer day with roof-mounted air conditioning (see your dealer for proper sizing and cooling requirements). Installation kits available for 7,000 and 12,000 BTU air conditioners **B.** On Pioneer models, covering the spare tire does more than add good looks...it protects the tire from the damaging effects of the sun's UV rays **C.** A set of privacy curtains and a portable bed light are just perfect for late night reading when you don't want to disturb your guests or the kids. Or put the little ones to bed, close the pri-

vacy curtains and enjoy a game of cards at the dinette! **D.** With this rear mount bike carrier, you can use the Yakima® roof rack for water skis and cargo basket, while still making room for the bikes! (Available on Pioneer and Destiny models only) **E.** You'll appreciate the convenience of this rugged entry step on your Destiny model (Pioneer and Americana models feature a Stepper™ door as standard equipment) **F.** Enjoy outdoor cooking with this easy-to-use stove mounting bracket that lets you use **your** camp stove. This mounting kit can be used on any

older model Coleman trailer (even competitive brands) not equipped with outside cooking (stove not included) **G.** Add a little extra style to your Destiny or Pioneer camper with these sporty hub-caps **H.** Looking for a little extra space to hang some clothes? This wardrobe rack is just the ticket **I.** The large Coleman Convertible Cooler can be used upright with slide-in food storage shelves, or pull out the shelves and use it chest style (standard on all Americana models)

Water Hold-down Lever – allows "hands free" constant flow of water to make mealtime preparation and clean up a snap

Headroom – a full 36" of headroom means you can sit upright in bed without hitting your head

Maximum Storage Galley – more convenient and usable storage area than in any competitive product

Bed Heights – bed height is convenient and ideal for extra seating with high density foam for maximum comfort & support

Front & Rear Rovel® Capped ABS Plastic Panels – protection from stones and road gravel

Krystal-Kote® Finish Side Body Panels – resists marring and scratching

Superior Side Wall Construction – aircraft/automotive-type double wall construction for durability, strength and light weight

Subfloor Construction – specially treated waterproof one-piece O.S.B. wood flooring, carries a Limited Lifetime Warranty

Wheel Wells – seamless, rust and dent-proof

Underfloor Water Storage Tank – allows for more interior storage space (Americana models only)

Stepperlite™ – provides illumination at the doorstep entrance for night time safety (Americana and Pioneer only)

Self-storing Stepper™ Door – a safe, wide and sturdy step, positioned low enough for children, a Coleman exclusive feature! (Americana and Pioneer only)

Lifter Cable – 1/8" diameter stainless steel aircraft cable; double the thickness of most competitors

Lifter Arm – heavy-gauge stainless steel lift arm that won't rust or bind. Lift system carries a Lifetime Limited Warranty.

Undercarriage Perimeter – rugged quality of aircraft riveted and screw construction

Wood Cabinetry and Decorator Hardware – attractive, yet rugged and easy to maintain

Clear Vinyl Windows – allows more light inside to brighten the living area, especially important on overcast days

Roof Construction – insulated sandwich panel, single seam design for the ultimate protection from the elements, Limited 5-year Warranty

Dinette Construction – 4" thick upholstered, wood-backed bench seating for long-lasting durability and comfort

Lightweight Portable Dinette Table – Free-standing so it can be used anywhere

Evolution® 3 Tenting Material – state of the art fabric, won't mildew or rot, fully water resistant and easy to maintain, carries an exclusive Limited 3-year Warranty (Americana and Pioneer only)

Angled Wing Bed Design – combined with fine mesh screening allows you to keep the privacy end flaps open for cross ventilation, even in a rain storm

Full Perimeter Aluminum Bed Frames – provide consistent, dependable roll-out and roll-in of the beds without warping or binding. Coleman seamless one-piece beds are tested to 1,000 pounds capacity

Permanently Attached Bed Supports – so they can't be lost or left behind at home or at the campsite

Full Perimeter Tubular Steel Chassis – for strength, durability and reliability (Americana and Pioneer models only. Destiny models feature C-channel full-perimeter steel chassis)

Lifetime Limited Warranty

Coleman trailers carry a Lifetime Limited Warranty on major structural components. See your authorized Coleman dealer for complete details.

Construction

No One Builds 'em Like Coleman...
We Back Our Trailers Better Because
We Build Them Better!

Why do you see more Coleman folding trailers on the road than any other brand? Style, innovative design and enduring value have a lot to do with it. But perhaps the greatest reason of all is because the Coleman model you're considering has been built to last!

No other manufacturer builds quality into their product like Coleman. And that's why Coleman can offer a Lifetime Limited Warranty on many major structural components. We feel it's the best product guarantee in the industry. Ask your dealer to give you all the details*.

*Warranty available to the original purchaser in the USA and Canada only.

Evolution® 3: The State-of-the-Art Tenting Material With Exclusive 3-Year Limited Warranty

No Rot or Mildew – Evolution 3 fabric will not mildew or rot, even if you pack your camper away when it's wet. **Odors Don't Linger** – even with the windows and doors tightly shut, Evolution 3 fabric's unique breathability allows cooking and storage odors to escape. **Safety Comes First** – Evolution 3 fabric for folding trailers meets all of the Federal Government's stringent FMVSS 302 (Federal Motor Vehicle Safety Standards) requirements for flame retardance. **Strong Without Shrinkage** – with three layers bonded together, Evolution 3 fabric is extremely strong and durable. It's tough enough to stand up to tears, rips and punctures. **Hypoallergenic** – Evolution 3 fabric is different from natural fiber tenting that may cause a discomfort to some individuals with allergies to natural fibers.
