ELEMENT

SERIES

Putting the **FUN** in **FUNCTIONAL!**

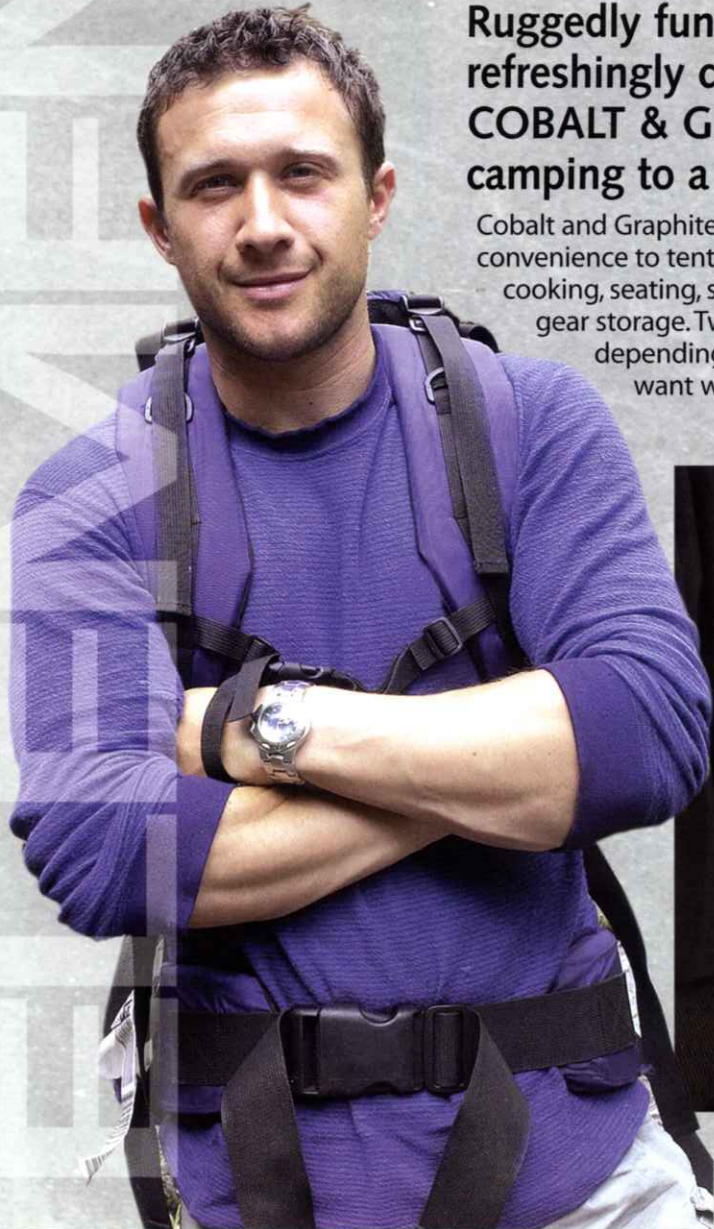

by Fleetwood Folding Trailers

NEON shown with optional furnace.

DEFINITELY NOT YOUR NEIGHBOR'S RV! ELEMENT...Built for Playing Hard – Not Playing House!

Ruggedly functional...
refreshingly comfortable –
COBALT & GRAPHITE take tent
camping to a higher level.

Cobalt and Graphite bring functional
convenience to tent camping with indoor
cooking, seating, sleeping and onboard
gear storage. Two models to choose from –
depending on how much indoors you
want with your outdoors!

COBALT AND GRAPHITE feature functional interiors – each including a full galley with sink and stove, dinette, and plenty of storage.

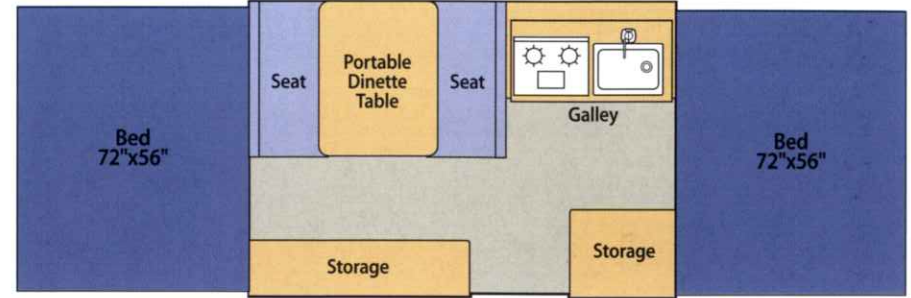

Considering “upgrading”
to a vestibule tent?
Consider **NEON** – the
very best tent!

Neon combines the coziness of
sleeping in a tent (except on a roomy
and restful mattress) with the added
comfort of a futon, loads of onboard
gear storage and heavy duty
construction. Be prepared to ditch your
on-the-ground tent and hitch to our
off-the-ground Neon.

NEON interior features a large bed, plenty of
storage and a futon for added comfort.

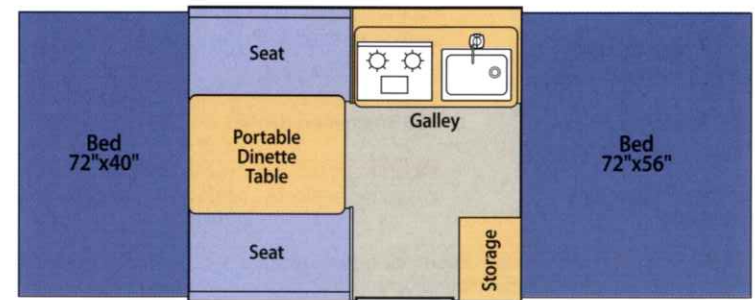

- 2 large beds for family or friends
- Side dinette for walk-through roominess
- Lots of gear storage
- Full galley

GRAPHITE

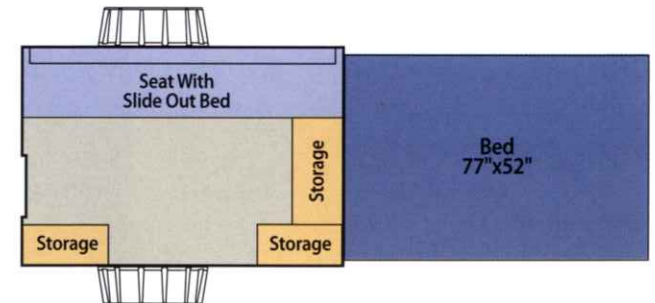

- End dinette maximizes dinette/bed spaciousness
- Lots of gear storage
- Full galley

COBALT

- Large bed
- Futon for added comfort/sleeping
- Lots of gear storage

NEON

NEON shown with optional LP tank and cover, part of the optional furnace package.
