1968A546  
Revised June 2003

**PART NUMBER: 4753E6781 - BATTERY BOX MOUNT KIT**

**This kit is for use on all 2002 to present model year trailers.**

This package contains: 2 - 1203E896 Rivet  
2 - 4758-191 Battery Angle

**IMPORTANT NOTICE**

These instructions are for the use of qualified individuals specifically trained and experienced in the installation of this type equipment and related system components. Installation and service personnel are required by some states to be licensed. Persons not qualified shall not attempt to install this equipment nor interpret the instructions.

**INSTALLATION INSTRUCTIONS**

1. Center the battery box on the angles attached to the frame near the tongue jack.
2. Place one battery angle provided in this kit on each side of the battery box on the rear frame angle only. See photo.
3. Using a 3/16" drill bit and the battery angles as templates, drill through the frame angle. Secure both battery angles using the rivets provided in this kit.
