

BROWN DOG

*Rich in Heritage
Steeped in Tradition*

2023 Spring / Summer

Dear Customers and Friends,

We can't thank you enough for your support over the last 5 years. The friendships we have developed since we launched Brown Dog have been humbling and fulfilling.

Whether a prom, wedding, or just being somebody's lucky socks, we love being a small part of people's special days. It brings us a great deal of satisfaction and joy when we see your photos, sharing memories and showing off our socks. In this world of uncertainty, we need more joy. Being able to provide a product that brings a little bit of that, is gratifying.

A few new accessories have been added to the line, and we hope these bring a similar amount of happiness. In this year's collection are Performance Polo Shirts, USA-Made waterproof, cut-to-fit, belts; as well as, dog collars and watch bands with familiar Brown Dog designs.

Among our new sock patterns, "UT Tool Time" is especially meaningful. Uncle Timmy was my wife's Uncle, and more like a 2nd father. We lost him to cancer last year. When I wear these, it makes me think of him, and my day is a little better than it was before.

No matter what the world brings in 2023, we know it will be a great year and we look forward to sharing it with you.

God bless,

Callum Brown, Founder

Philippians 4:6 "Don't worry about anything; instead, pray about everything. Tell God what you need, and thank Him for all He has done."
