Providing election services and products to municipalities and local unions for over 40 years.
NEW! Select Voting Booths

Designed for durability and ease of use!

Select Voting Booths offer innovative design and molded stacking features that can save you significant storage space over other voting booths. High impact, heavy-duty recycled plastic cases, privacy screens, and aluminum legs will keep our booths looking good for years! Optional energy-efficient LED lights are also available.

VB-101
Select Deluxe Voting Booth, without Light
High impact, heavy-duty plastic case with aluminum legs. Great for optical scan ballots and paper ballots. Five-year warranty. Can accommodate a 21” ballot. Measures 23½” W x 27½” D x 3½” tall when folded. Weighs only 18½ lbs. Height of writing surface is 39¾”.

$198.00

VB-102
Select Deluxe Voting Booth, with LED Lights

$228.00

Both stack flatter for easy storage!

Case is only 3-1/2” thick!

VB-201
Select Duo Voting Booth, without Light
Two booths in one case. Privacy screens can be oriented in multiple positions. Folds into its own storage case. Made in the U.S.A. with recycled plastic. 23½” deep x 27½” wide case. Weighs only 20.3 lbs. Two year warranty. Height of writing surface is 39¾”.

$227.00

VB-202
Select Duo Voting Booth, with LED Lights

$287.00

Save up to 75% storage with the Select Duo

See page 24 for our full line of voting booths

CT-950
**Fold Up Security Truck**
Completely enclose all your voting supplies and equipment. Lockable for maximum security. Conserves valuable floor space as it folds to only 6” thick. Constructed of 1” square tubing and heavy gauge 1” x 2” wire mesh. Top, bottom deck and center shelf are 1” square tubing covered with 20-gauge sheet metal for added strength and rigidity. Center shelf folds to allow storage of oversized cargo. Maneuvers easily on 6” x 2” hard rubber casters, two swivel with brakes, two rigid. Gray epoxy finish. 44½” W x 27” W x 76” H overall. Shipped assembled.

**$730.00**

CT-AKD
**Storage Cart for Voting Machines**
With the AutoKart, your voting equipment is consolidated into a MOBILE PRECINCT. The ballot box, scanner and AutoMARK® remain in the AutoKart during storage, deployment to the precinct and during the election process. Your precinct workers never have to lift a ballot box or the AutoMARK®. All functions of all of the devices are fully accessible including access to computer media, electrical cords and removal of ballots. The included nylon cover provides protection during transport and storage and has a clear pocket for precinct identification or other desired information. The covers may be locked or zip tied to the AutoKart, providing an added level of security.

Pathway Classic Series Ramp without Handrails
Featuring a seamless non-slip driving surface, the PATHWAY ramp is safe, secure and ideal for scooters, walkers, wheelchairs, canes and crutches. Heavy-duty and extra wide. Made of aluminum with a non-skid surface. All have a weight capacity of 850 lbs.

Pathway Classic Series Ramp with Handrails
Featuring a seamless non-slip driving surface, the PATHWAY ramp is safe, secure and ideal for scooters, walkers, wheelchairs, canes and crutches. Heavy-duty and extra wide, this 36" wide ramp features an 850 lb weight capacity and easily accommodates wider chairs. Made of aluminum with a non-skid surface. Outside width of ramp is 40¼". Extruded aluminum handrails give a clean and modern appearance that will coordinate with any home or business. This ramp is ideal for temporary or semi-permanent access.

VA-113
36" Rubber Threshold Ramp
With beveled sides. Simply place the ramp in front of the door to provide a smooth ground-to-sill transition. This slip-resistant ramp is designed to be used on any surface and can easily be trimmed or notched for a custom fit. Made of recycled materials. Approved for indoor or outdoor use. Will not interfere with door tracks, making it ideal for use with sliding glass doors. Usable size is 1½"H x 14"L x 36"W.

$101.50

VA-114
48" Rubber Threshold Ramp
Simply place against the door threshold (inside or outside) to provide a smooth ground-to-sill transition. Standard width is 48" (for wider entrances, place two ramps side-by-side). Ramp can easily be trimmed for lower heights and widths or combined to reach greater heights. Slip-resistant and made of recycled tires. Usable size: 2½"H x 24"L x 48"W.

$162.00

VA-TLE
Top Lip Extension
This optional extension increases the standard 3" lip to become 9", allowing the ramp to clear the rear bumper of SUVs and vans. Easily attaches to standard lip. Made of aluminum with a non-skid surface, and has a weight capacity of 500 pounds. Usable size is 8½" x 13¾" x 2¼", and is ideal for use with wheelchairs and scooters. For use with both Advantage and Signature series ramps.

### School Election Kits

#### KT-SCH1
**School Election Kit, Basic**
This Basic School Election Kit has the key elements you’ll need when running a mock election for your class. These are the same voting booths and election supplies that are used during the federal and state elections, giving your students an authentic experience. With this school election kit, your students will experience patriotic signage, privacy voting, bubble ballots, and even a sticker proclaiming that they participated in one of the greatest freedoms we have in America.

**$198.50**

#### KT-SCH2
**School Election Kit, Deluxe**
This Deluxe School Election Kit has even more of the key elements you’ll need when running an election for a sizable school. With this kit, you will receive four additional voting booths and a third A-Frame sign helping your young voters find their way and cast their vote. Use these supplies all year long to run mock elections, select a class president or even a homecoming king and queen. Reinforce the act of voting as often as possible with your students and you will have done a great service to them and our country.

**$303.50**

ElectionSource is a leader in the election industry for all election-related services and supplies. We have over 100 years of combined experience conducting Federal, State, Local, School, Union, and Fraternal Organization elections.

ElectionSource provides turnkey voting services using optical scan and touch screen tabulators. We can work with your staff to create a comprehensive plan for conducting your election, providing equipment, training, and on-site support to ensure a smooth and accurate election. Our experienced staff can provide you with a level of knowledge and experience that is unsurpassed in the industry.

ElectionSource can provide your county or organization with all the necessary coding expertise for coding your election equipment. Our programming staff has experience with coding a variety of optical scan and touch screen systems. We can also provide ballot layout design and technical support for both election management software and election tabulator or touch screen equipment.

**Services we provide:**
- Election Support & Training
- Election Coding
- Election Consulting
- Ballot Layout
- Ballot Printing
- Mail Elections
- Turnkey Election Management

Annual Preventative Maintenance:

Let ElectionSource play a vital role in promoting and maintaining the integrity of the democratic process. With frequent changes in election technology, and the complexity of election equipment, it is imperative to properly maintain your election equipment to ensure accuracy and voter confidence.

Your election equipment was a serious investment. Let us help protect your equipment with an Annual Maintenance Agreement. Call us to get a tailored plan and quote for your jurisdiction today!

Our Preventative Maintenance Plans can provide some of the following…

- Read-Head Alignment and Calibration
- Battery Replacement
- Path Sensor Clear Check
- Belt Inspection and Replacement
- Repairs, Replacements & Loaner
- Touch Screen Calibration
- Diagnostics
- Accuracy Testing
- Tension Pulley Adjustment
- Routine Cleaning

Accuracy Testing:

We know your valuable time is spent in election preparation. Between voter registration, handling phone calls, questions and training election workers, your time is limited. We can ease some of the work load with our three levels of testing services.

**Full Service Testing** – We will create a test chart and test deck, conduct your accuracy test, fill out all the necessary paperwork and set your machines to be ready on election day.

**Test Chart and Test Deck** – Send us your ballots and we will create a state-mandated test chart and mark your ballots so you can conduct your own hassle-free accuracy test.

**Chart Only** – Send, fax or email a copy of your ballot and we will create the test chart that you will need to mark your own ballots.
