3-YEAR IN-STORE WARRANTY

Since wood is an organic raw material, just like fingerprints each board of wood will be diverse in its grain patterns.

Mother Nature also determines the number and placement of knots in the wood, and due to these individual characteristics, stains can vary depending on the preparation, and how they adhere to the wood. Wood will also naturally shrink, swell and even exhibit hairline cracks or minor warping. These variations and natural changes are not considered defects under our warranty.

Wheaton's warrants each of our solid wood furniture products to be free from defects in material and workmanship under normal use for 3 years.

Terms & Conditions

Normal Use: Wheaton's 3 Year In-Store Warranty applies under conditions of normal residential use. It does not cover regular "wear & tear" nor does it apply to defects or damaged caused by (a) abuse, (b) accidents, (c) commercial use, (d) improper finishing of unfinished furniture or (e) improper or inadequate maintenance.

This warranty does not cover floor samples or furniture sold "AS IS", nor does it cover pick-up and delivery fees for warranty work to be performed.

How to claim for warranty

All claims against warranty must be submitted by email and supported by pictures as to the defect. Please send your claim to service@wheatons.ca and include your name & contact information. All claims are responded to within 24-72 hours.
