

medworx DELUXE DESK SCREEN

USED IN A RANGE OF WORKING ENVIRONMENTS

Our deluxe desk partitions feature a perspex screen that is very discrete and high quality, whilst offering excellent functionality. This divider screen comes with a unique hinge system that ensures a very strong joint which fixes the side panels at a 90-degree angle. With fast pop-up activation, the screen folds flat with no assembly required.

Key Features:

- Premium 4mm perspex desk partition: Comes flat-packed, and can be fully assembled in just a few seconds.
- Unique hinge system: Ensures a very strong joint and fixes the side panels to a 90 degree angle.
- Available in three widths: Made for common desk sizes of 1200mm, 1400mm and 1600mm.
- Adhesive feet: To secure the screen to the desk.
- Safety edge rounded corners.
- Openings on rear panel for cable management.
- Self-supporting: Fits onto any desk or counter.
- Easy clean: With every day cleaning products.
- Free UK delivery.
- Bespoke sizes available.
- No holes or desk securing required.
- Designed and manufactured in the UK
