VOLUPTAS ROSE

2020 / 2021

*WHAT MAKES
VOLUPTAS ROSE
LINGERIE DIFFERENT*

We believe that exceptional lingerie should never be limited to size or shape. Yet, we see this all too often in traditional fashion houses. Steadfast in our commitment to size equality, we reexamined lingerie, addressing fit, comfort, and style for all sizes.

Two years in the making, our first collection reveals our reinvention of timeless silhouettes in classic black with each piece exquisitely and thoughtfully crafted by our extraordinary artisans in the United States. Once in hand, the difference is truly beyond expectation.

All Fabrics

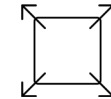

Mesh Fabric: 97% nylon, 3% spandex;
Spandex Fabric: 83% polyester, 17% spandex

our reinvention of
LUXE LINGERIE

56+ Bra Sizes

All our styles are the same across the entire size range with details that fit and flatter at every size.

4-Way Stretch

Our premium fabric stretches without losing shape for extreme comfort.

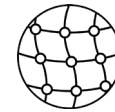

Sweat-Wicking

Keep cool in every hot situation! Our stay-dry material helps maintain confidence all day.

Stays Fresh

Our antimicrobial fabric fights odor, keeping you feeling fresh all day.

Breathable

Our signature mesh is just sheer enough to give a sexy look while also breathable and strong.

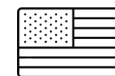

Super Soft

You'll never want to take it off! Our incredibly soft fabric is lightweight and ultra-comfy.

Luxe Details

From our clasps to our seams, we've selected the highest quality hardware and production methods.

Made in the USA

All our styles are designed in New York City and ethically produced in Los Angeles at fine ateliers.
