

BEATA HEUMAN

FINE HEMP

SHELL
(FABHMPSHL)

TERRACOTTA
(FABHMPTER)

GENERAL INFO:

- Creases can occur from time to time in transit. These can be steamed out with ease prior to use.
- Fabrics are cut to your desired length and are therefore a bespoke and non-returnable item.
- No claims for faulty fabrics can be made after the fabrics have been cut for application.
- All intellectual property rights in designs are owned by Beata Heuman Limited.

STAIN REMOVAL AND CLEANING:

- Our general advice is that our Fine Hems are dry clean only. Please consult a professional upholstery or drapery cleaner should any stains or marks occur, and/or for routine cleaning and maintenance.
- If desired for use as washable drapery, then our Fine Hems must be pre washed prior to cutting for application as shrinkage may occur. In this case, our Fine Hems should be washed on a gentle cool wash (30° or less) and left to dry naturally.

FIRE RATING:

- All our fabrics have passed the Cigarette FR test, but for upholstery need to be used in combination with a suitable FR interliner or backing to meet relevant FR standards.

PRODUCT:	DESCRIPTION & DETAILS:	REVISION:
Category: Fabric Product: Fine Hemp	Fabric width: 137 Usable width: 134.5cm Composition: 100% hemp Application: Soft furnishings, curtains and drapery	First Issue: 12.10.23
