

Delock Silicone Cable Ties reusable 10 pieces assorted colors

Description

These cable ties by Delock can be used to bundle exposed cables to provide neat and orderly sorting.

Brilliant resistance

The cable ties are made of elastic silicone and are very robust.

Reusable

The detachable silicone closure enables multiple opening and closing.

Adjustment

The length can be optimally determined by the three fixing holes.

Multifunctional application

The cable ties can be used e. g. for headphones, charging and adapter cables.

Different colours

The cable ties are available in 5 different colours for better visibility and identification.
