

Spiral Hose with Pull-in Tool 2.5 m x 20 mm black

Description

This spiral hose by Delock can be used to bundle exposed cables and protects them from dirt or damage.

Simple mounting

The delivery content includes a pulling tool, which allows easy threading of the cables.

Reusable

The cables can be easily added or removed.

Multifunctional application

The spiral hose can be used in the office or at home, to ensure an orderly and clearly cable installation.

Ø 20 mm / 2,5 m

Note

The spiral hose should be loosened beforehand by first pulling the pulling tool through the hose without cable. The pulling tool can then be pulled through the spiral hose with the cables more easily.
