

## Delock Heat Shrink Tube 2 m x 8 mm black

### Description

This heat shrink tube by Delock is used to protect and to insulate cables, electrical tubes or wires. Under the effect of heat, the sleeve completely encloses the cable and shrinks. This protects the cable from the effects of the influence of weather and mechanical damage.

### Multifunctional application

The heat shrink tube can be used e.g. in a workshop or in the industry.

Ø 8 mm / 2 m

### Specification
