

# Delock Hook-and-loop pad self-adhesive L 100 mm x W 50 mm set 10 pcs black

## Description

These hook-and-loop pads by Delock can be used as a quick fastener for various applications, e.g., for furniture, components, advertising materials or for various craft projects.

## Simple application

The adhesive hook pad and the loop pad have an adhesive coating on the back side and covered with a special paper. The paper can be removed, and the hook-and-loop pad can be applied to a dry, smooth, and clean surface and pressed on firmly. The length can also be shortened individually.
