

Delock Cable Duct flexible self-adhesive screwable 35 x 30 mm - length 50 cm grey

Description

This cable duct by Delock can be used to bundle exposed cables, electrical tubes or wires to protect them from dirt or damage and to ensure a clear and orderly cable routing.

Quick mounting

The cable duct is provided with adhesive tape on the bottom and can therefore be easily and simply attached e.g. to the floor or to the wall. Optionally, the cable duct can also be fixed with screws. The cable harnesses and tubes can be inserted and removed and branched over the entire length.

Multifunctional application

The cable duct can be mounted e.g. in control cabinets or vehicles. Due to its high flexibility, it is also possible to install the cable duct at greater angles of inclination.

Specification

- Self-adhesive
- Reusable
- Flexible
- Bundle diameter: max. 30 mm
- Material: plastic
- Colour: grey
- Dimensions (LxWxH): ca. 500 x 35 x 30 mm

Item no. 19226

EAN: 4043619192267

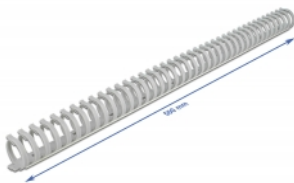

Country of origin: China

Package: Poly bag

Package content

- Cable duct
