

# Delock Cable tie with flat head L 205 x W 2.5 mm 100 pieces

## Description

These cable ties by Delock can be used to bundle exposed cables to provide neat and orderly sorting.

### Reduced head height compared to conventional cable ties

The unique head design protects cable bundles from abrasions and sharp edges.

### Brilliant resistance

The cable ties have a good resistance to high temperatures and they are characterized by their high flexibility.

## Specification
