

Delock PVC Cable Duct flexible 70 x 13 mm - length 1.5 m grey

Description

This cable duct by Delock can be used to lay and bundle cables, electrical tubes or wires to protect them from dirt or damage and to ensure a clear and orderly cable routing.

Quick mounting and high flexibility

The cable duct can be attached with adhesive tape on the bottom and can therefore be easily and simply fixed to the floor. The elastic PVC material also has a high degree of flexibility.

Plenty of space for different cables

Depending on the diameter and thickness of the individual cables e.g. antenna cables, HDMI cables, audio cables or power cables can be accommodated. Thus the cables are safely and orderly stowed away.

Cutable

The length of the cable duct can be shortened individually with the scissors.

1,5 m

Specification

- Self-adhesive
- Reusable
- Flexible
- Individually shortenable
- Material: PVC
- Colour: grey
- Dimensions (LxWxH): ca. 1500 x 70 x 13 mm

Item no. 20733

EAN: 4043619207336

Country of origin: China

Package: Zip poly bag

Package content

- Cable duct
- Adhesive tape
