

Delock Cloth Tape 25 m x 25 mm untearable self-adhesive black

Description

This cloth tape by Delock can be used for insulating electrical cables and wrapping cable harnesses, e.g. in the automotive sector.

High flexibility and tear resistance

The tape is made of flexible fiber material with a high tear strength and is ideal for small repairs. The protective fabric material also offers optimal temperature and corrosion resistance.

Cuttable

With the help of scissors, the length of the tape can be shortened individually.

Specification

- Length: ca. 25 m
- Width: ca. 25 mm
- Self-adhesive
- Untearable
- Tensile strength: up to 6 kg
- Environmental temperature: -40 °C ~ 150 °C
- Material: PET fabric
- Colour: black

Package content

- Cloth tape

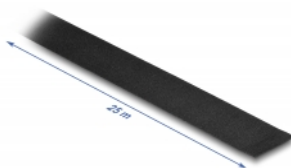

Item no. 20912

EAN: 4043619209125

Country of origin: China

Package: Zip poly bag
