

Delock Cable protection sleeve 2 m x 18.5 mm with PG13.5 conduit fitting set black

Description

This set by Delock consists of a cable protection sleeve and a conduit fitting. The gland can be simply attached to the corrugated protective sleeve and provides a waterproof seal to the enclosure for passing cables and electrical wires.

IP67 dust and waterproof

The gland, in combination with the protective sleeve, provides increased protection against dirt and moisture.

Excellent flexibility and resistance

The protective conduit is characterised by its high abrasion, temperature and chemicals resistance. In addition, the conduit has a high degree of flexibility to protect cables from excessive bending.

Multifunctional application

Due to the robust design, conduit fittings are often used in installations, automation and machine systems.

Specification

- · Length: ca. 2 m
- Diameter: ca. 18.5 mm
- Reusable
- Flexible
- Thread size of conduit fitting: PG13.5
- Screw mounting with 15 mm bore hole
- Protection class: IP67
- Operating temperature: -30 °C ~ 80 °C
- · Material: plastic
- · Colour: black

Package content

- · Protection sleeve
- 2 x conduit fitting
