

Delock Adapter USB 3.0 > 2 x Gigabit LAN 10/100/1000 Mb/s

Description

Expand the PC or laptop by two network connections via one USB 3.0 interface. Thus you can connect a second computer and with both computers you can build up a connection to a router or a switch at the same time.

27 cm

Note

The adapter has only one network interface; the second port is provided by an integrated switch.
