

Delock USB 3.0 Dual Docking Station for 2 x SATA HDD / SSD with Clone Function

Description

This HDD / SSD docking station by Delock enables an external connection of two 2.5" or 3.5" SATA HDDs / SSDs through the USB interface. This solution does not require an external enclosure since the HDD / SSD will be plugged into the docking station directly. Furthermore the clone function enables to copy the content of one HDD to another without using a PC.
