

Delock Precision Screwdriver Set 49 pieces

Description

This tool set by Delock includes a **screwdriver** and a comprehensive **assortment of bits**. In the handy box the set is safe to transport and quickly ready to use.

Noble and robust

The **noble design** and **robust material** of the housing offers ideal protection for the bits and the bit holder. A **pressure mechanism** above the housing makes it easy to remove the inner workings. The **magnetic bit holder** secures the bits so that they sit firmly in the housing in any position.

The **magnetic handle** is made of an **aluminum alloy** and a **non-slip swivel cap** for precise controlled work.

Always the right screwdriver at hand

Whether for repair of a smart phone, the installation of computer accessories or in model making - with this **extensive tool set** by Delock, the right screwdriver bit is always available.
